About This Company

Jacklamp, L.L.C. is a hardware and software company based in Park City, Utah, USA. Founded on August 25, 2004, by William W. Truxes III. We are the sole supplier of the one and only Jacklamp™ and its equally novel companion the unique Jacklamp Caddy™.

- **Goal** - Make these novel and unique patent pending devices available to all at a good value. Provide an improved illuminating peripheral device which is simple, highly useful, easily transportable, economical and convenient to use.
- **Press Relations** - If you are a journalist or a member of the press and would like to review my hardware or software, please [Contact me](#). Emails will be answered as soon as possible, usually within 24 hours.
